Safety Data Sheet for Chemical Products

Part 1 Chemical product and company identification

Chemical Product: Rosemary Extract Powder

Company: Hunan Geneham Biomedical Technology Ltd.

Address: NO.53 Laodong Road, Changsha, Hunan Province

Zip: 410007

E-mail: geneham@geneham.com

Fax: (Country or Regions codes) (Area) (Telephone) 0086 7318 4433956

Enterprise Emergency Phone: (Country or Regions codes) (Area) (Telephone)

00 86 73185556298

Technical Description NO.: C0804004

Effective Date: 04.14.2008

Country Emergency Phone: Toxicology Consultation Center The State Economic And Trad Commission

Shanghai

0086 21 62679090

Part 2 Composition/information on ingredients

Purity Mixture

Chemical Product: Rosemary Extract Powder

CAS No.: 84604-14-8

Ingredient : Assay

Carnosic Acid 60%

According to EU or International Common Regulations, based manufacturers of existing knowledge that the

products is non-toxic ingredients.

Part 3 Hazards summarizing

According to guidelines 1999/45/EC revised edition,the product is not classified as dangerous goods.

Part 4 First-aid measures

Skin-contact: Wash your skin with soapy water or with security detergent and water.

Eye-contact : Filed eyelid , Using flowing water or physiological saline to rinse your eyes for at least 15min.Medical treatment.

Sucking: Meaningless

Eating: Hospitalize immediately, if overeating.

Part 5 Fire-fighting measures

Hazardous Characteristics: No

Harmful Combustion Products: CO₂

Extinguishing-Methods & Fire-extinguishing Chemicals: Using water to put out the fire.

Note for Fire-fighting: Don' t drain fire-fighting waste material into sewers or drain.

Part 6 Accidental release measures

Meaningless

Part 7 Handling and storage

Note for Handling: According to the common operation of chemicals.

Note for Storage: Keeping container sealed, Stored in a cool, ventilated place.

HUNAN GENEHAM BIOMEDICAL TECHNOLOGY LTD.
Add:No.53 Laodong Road, Changsha, Hunan, China 410007
TEL:+86-731-5556298, 5149956 FAX:+86-731-4433956
Http://www.geneham.com Email:export@geneham.com

Part 8 Exposure controls/personal protection

The Thickness: Meaningless

Monitor Method: Meaningless

Construction Controls: Construction should be adequately ventilated.

Breathing system Protection: Meaningless

Body &Skin Protection: Operators should be put on natural fibers clothes.

Hands Protection:

Protect cream can protect hand skin, but using it after washing your hands.

Other Protection: No smoking in construction.

Part 9 Physical and chemical properties

Sensorial Specification: Yellow or greenish yellow powder

Odor: Typical

Solubility: Insoluble in water, soluble in ethanol.

Major uses: Natural antioxidant commodity. Applying to oil-soluble antioxidant ingredients.

Part 10 Stability and reactivity

Stability: Stable

Combustion Products: CO₂

Part 11 Toxicological information

There have no related information about the products, According to guidelines 1999/45/EC revised edition, the products is not classified as dangerous goods

Part 12 Ecological information

There have no related information about the products.

Part 13 Disposal considerations

Do not release the product into superficial water or domestic sewer pipe system.

Based manufacturers of existing knowledge, According related 91/689/EEC regulations that the products is unclassified as toxicological waste.

Waste Disposal Methods: Treatment with controlled burning.

Part 14 Transport information

According to International Transport statute , the product is no dangerous commodity. (ADR/RID 、 IMDG/IMO、 ICAO/IATA)

Packaging signs: Damp-proof

Packing method: Hermetically sealed in plastic bags with paper barrels outside

Note for Transport: Damp-proof

Part 15 Regulatory information

EU Clause: According to guidelines 1999/45/EC revised edition, the products is not classified as dangerous goods

Dangerous aphorisms: According to EU related regulations, It' s unclassified product.

Part 16 Other information

Fill Date: 04.14.2008

Fill Department: Projects Department, Hunan Geneham Biomedical Technology Ltd.

Revision Instruction: For further information or new standards, We will update promptly.
