

Span-40

【Synonyms】 Sorbitan monopalmitate

【CAS No.】 26266-57-9

【Mol. formula】 C₂₂H₄₃O₆

【Mol. Structure】

【Performance】 It is yellowish brown wax. slightly soluble in isopropanol, xylene etc., slightly soluble in liquid paraffin, insoluble in water, non-toxic. odorless. HLB 6.7.

【Specification】

Appearance	Yellowish brown wax
Acid value (mg KOH/g) ≤	8.0
Saponification value (mg KOH/g)	140~150
Hydroxyl value (mg KOH/g)	255~290
Moisture (%) <	2.0
Melting point(°C)	45±3

【Application】 As dispersant of printing inks and oils; as stabilizer for emulsifying; as emulsifier for oil field.

【Packing】 25Kgs kraft bag.
