Proper shipping name: ORGANOMETALLIC SUBSTANCE, SOLID, WATER-REACTIVE, UN-Number: 3396 Class: 4.3 (4.1) Packing group: II EMS-No: F-G, S-N (Tris(N,N-bis(trimethylsilyl)amide) lanthanum(III))

This safety datasheet complies with the requirements of Regulation (EC) No. 1907/2006.

**9. PHYSICAL AND CHEMICAL PROPERTIES**

**10. FIRE-FIGHTING MEASURES**

**11. TOXICOLOGICAL INFORMATION**

**12. ECOLOGICAL INFORMATION**

**13. DISPOSAL**

Dispose of as unused product. Contact a licensed professional waste disposal service to dispose of this material.

**14. TRANSPORT INFORMATION**

**15. REGULATORY INFORMATION**

Substances, which in contact with water, emit flammable gases (Category 2)

Classification of the substance or mixture: Flammable solid: 2,2 °C - closed

**RTECS: no data available**

**Additional information**

no data available

**Carcinogenicity**

no data available

**Mutagenicity**

no data available

**Toxicity**

no data available

**Persistence and Degradability**

no data available

**Bioaccumulation**

no data available

**Bioconcentration**

no data available

**Toxicity to Aquatic Organisms**

no data available

**Environmental Precautions**

Aerobic treatment, followed by pasteurization; anaerobic treatment; neutralization of final sludge with chemical substances; incineration.

**16. INFORMATION ON INCIDENTAL EXPOSURE**

**17. EXTRACTION PROCEDURES**

**18. REGULATORY REQUIREMENTS**

**19. PRECAUTIONS FOR SAFE HANDLING**

Never allow product to get in contact with water during storage.

Keep container tightly closed in a dry and well-ventilated place. Store in cool place.

Provide appropriate exhaust ventilation at places where dust is formed.

Avoid formation of dust and aerosols.

With water. Keep in suitable, closed containers for disposal.

Sweep up and shovel. Contain spillage, and then collect with an electrically protected vacuum cleaner or suitable absorbent material.

Consult a physician.

Rinse thoroughly with plenty of water for at least 15 minutes and consult a physician.

Take off contaminated clothing and shoes immediately. Wash off with soap and plenty of water. Consult a physician.

If swallowed: Immediately call a POISON CENTER or doctor/physician.

In case of contact with skin: Remove clothing immediately and wash with soap and plenty of water. Take off immediately any jewelry that might catch on the skin.

In case of accidental ingestion: Drink plenty of water, do not induce vomiting. Do not give anything by mouth to an unconscious person. Get medical advice immediately.

In case of skin contact: Remove clothing immediately and wash with soap and plenty of water. Take off immediately any jewelry that might catch on the skin. Get medical advice immediately.

In case of eye contact: Wash out with water for at least 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

In case of fire, use fire-fighting equipment on basis class D.
