ADR/RID:
UN proper shipping name

RESULTS OF PBT AND vPvB ASSESSMENT
ECOLOGICAL INFORMATION
To the best of our knowledge, the chemical, physical, and toxicological properties have not been

Potential health effects
Aspiration
Inhalation - May cause respiratory irritation.
no data available
Germ cell
no data available
Serious eye damage/eye
no data available
Skin
no data available

TOXICOLOGICAL INFORMATION
Other decomposition products - no data available
Incompatible materials
Conditions to
no data available
Possibility of hazardous reactions
no data available
STABILITY AND
Other safety
no data available

PHYSICAL AND CHEMICAL

Personal protective equipment
Handle in accordance with good industrial hygiene and safety practice. Wash hands before breaks and
Exposure controls
Appropriate engineering controls
Wear self contained breathing apparatus for fire fighting if necessary.
Precautions for fire-fighters
Suitable extinguishing

FIRST AID
Other hazards

METHODS OF TREATMENT
In case of contact with eyes: flush with plenty of water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
In case of contact with skin: Wash with plenty of water and soap. Remove contaminated clothing and wash before reuse.
In case of contact with clothing: Remove clothing. Wash before reuse.
In case of ingestion: Rinse out. Do not induce vomiting.
In case of inhalation: Remove patient to fresh air. If breathing is difficult, give oxygen. Seek immediate medical attention.

Other adverse effects
no data available

TO THE BEST OF OUR KNOWLEDGE, THE CHEMICAL, PHYSICAL, AND TOXICOLOGICAL PROPERTIES HAVE NOT BEEN

Most important symptoms and effects, both acute and
Rinse thoroughly with plenty of water for at least 15 minutes and consult a physician.
In case of eye contact
Wash off with soap and plenty of water. Consult a physician.
If inhaled, move person into fresh air. If not breathing, give artificial respiration. Consult a physician.
If swallowed
Seek medical advice.
